## New trends in leadership

**Bled (Slovenia): Dr. Pierre Casse, IEDC-Bled School of Management and Moscow School of Management (Skolkovo-Russia), is giving a lecture about the leadership trends and key facts that all leaders must know in Tirana, next Monday.**

»Three metaphors to understand what leaders must pay attention to are: *Eye Fever, Soft Tango, Black Ice*,« stresses dr. **Pierre Casse** (on the photo), who has published more than 10 books in the areas of multicultural management, leadership, intercultural negotiations.

At MasterClass, open lecture, in Tirana, he will explain those metaphors, including key dimensions of leadership and new trends.
